

Hi

Welcome to High Ideals News.

letter from the editor

Hello and welcome to all the new people who've joined us.

I would like to bring to your attention a TED (<http://www.ted.com/>) prize winner, Karen Armstrong, who had a wish to create a Charter for Compassion. Her wish has been fulfilled.

The Charter for Compassion is a document created by thousands of people around the world. It is capable of enabling a new dialogue between the major religions and between religious and non-religious people.

You can read it or watch the video at the link below:

<http://www.charterforcompassion.org/>

It's only one page long, so it won't take much time to read at all.

My personal tip: That one minute could be rather transformational for you, so you might want to dedicate 10 minutes to reading/reviewing this document and see what it might inspire you to do in terms of Integrity, Positivity and Impact - our High Ideals Values.

That first next step you take could be as simple as affirming the Charter for Compassion and signing your name to it.

Looking for a tip, resource or something else? Let me know by sending me an email. If appropriate to do so, I may share the response with all the readers here so that we all might benefit.

All the best,

Noel

There are thousands of entries on business terms, tools, books, articles, resources etc, including quite a bit of both personal and professional development materials.

In my experience, I have found this an exceptionally useful site for both my own business as well as to support my colleagues and clients in their businesses and individual development.

I'm quite confident you'll find that this is a site you return to again and again.

Enjoy the journey!
